Opening of the Gotthard Base Tunnel, Wednesday, 1st June 2016

On Wednesday, 1st June 2016, a ceremony will be held to celebrate the opening of the Gotthard Base Tunnel. This event is of enormous significance for Switzerland, for our immediate neighbours, and for the entire European continent.

The guest list for the event includes the heads of state or government of our neighbouring countries, and the transport ministers of the Alpine countries and the countries along the freight traffic corridor. High-ranking representatives of the European Union as well as of European railway companies, both chambers of the Swiss parliament, all members of the Federal Council and other prominent persons are also among those invited.

As a member of the Federal Council and as Switzerland's transport minister, I am delighted to invite you to this unique event.

Experience the opening ceremony with performances and other works by Swiss artists; witness trains exiting the tunnel for the first time; meet other guests from the world of politics and business and take a ride through the newly opened tunnel.

I look forward to welcoming you to the Gotthard region.

Yours sincerely

Doris Leuthard
Federal Councillor
